Christopher Corbin  
Older adult Senior Prom (New Vitality)

Dear Chris Corbin,

What a success! Residents from our surrounding communities have now enjoyed our first Senior Citizen prom and the event is receiving rave reviews in our medical center.

On behalf of our Community Health department and the New Vitality program, I want to extend a heart-felt thank you for your commitment to making this event so successful. Your generous contribution helped make our vision a reality by helping to provide great entertainment to all in the audience. Everyone was taken away by your exceptional voice and charisma. Most importantly your Frank Sinatra impersonation was "exceptional".

As we continue to embark in our mission of building healthier communities, please know that partnerships with our sponsors are vital to the success of the communities we serve. You are truly appreciated. Thanks again.

Sincerely,

Alexandra Green  
Community Health/Healthy Communities Coordinator
